
Killlearn on the Web Newsletter

Issue 4 – 3 December 2003

Welcome to the third issue of the Killlearn on the Web newsletter. Issue 4 – 3 December 2003.

We hope that you like this newsletter, if you have any comments about it, please contact us using the details, which can be found in the contact section.

Website news

Since the last newsletter was sent out back in March, the website has had lots done to it. Way too much to list here, so please check out the What's new and updated page on the site.

Broadband Internet Connection

Imagine Internet connection at up to 10 times modem speed. If you want broadband Internet access in Killlearn we have some great new for you.

At long last Killlearn is getting near to getting Broadband Internet access, so at long last we are starting to move into the Digital Age! The trigger level for the BT phone exchange to get upgraded is 200. And on the last check we are at over 100, meaning that we're half way to getting Broadband!

To help Killlearn get Broadband all that you need to do is to register your interest - you don't have to buy it, just register!

Register your interest at <http://www.bt.com/btbroadband/>. Then just enter your **01360** phone number and follow the links through the checking procedure to register.

Business Directory

If you would like to have your business added for free, then just use to our form on the website.

We also have a WAP version of our Business Directory, which can be found on our WAP site at <http://www.killlearnontheweb.co.uk/wap/index.wml>

Local Events

I have no information on any events running in Killearn or the local area. But if you would like us to add your event to the next issue of this newsletter and also to our website, then please see the contact details.

Contact details

If you would like something sent out in the next newsletter, then please contact us, using the details below.

You can write to us at:

Gordon S Valentine
Killearn on the Web
12 Church Lane
Little Bytham
Grantham
