# Killearn on the Web Newsletter

Issue 5 – 16 December 2003

---

Welcome to the fifth issue of the Killearn on the Web newsletter. Issue 5 – 16 December 2003.

We could like to talk this time to wish all our website and newsletters reads a Merry Christmas and Happy New Year!

We hope that you like this newsletter, if you have any

comments about it, please contact us using the details, which can be found in the contact section.

## **Broadband Internet Connection**

All going well Killearn could have Broadband Internet (ADSL) as soon as 13 February 2004, going by [ADSLguide website](#).

If you have still to register your interest then visit the BT Broadband website at <http://www.bt.com/btbroadband/>. All you need to do is to register your interest - you don't have to buy it, just register! So please get everyone that you know in Killearn to do the same. The sooner more people register the sooner Killearn will get it!

## **Business Directory**

If you would like to have your business listed for free on our website's Business Directory, then [click here](#)!

Your business will also be listed on our WAP site at <http://www.killearnontheweb.co.uk/wap/index.wml>. If you have a WAP mobile phone, then give it a go!

## **Local Events**

I have no information on any events running in Killearn or the local area. But if you would like us to add your event to the next issue of this newsletter and also to our website, then please see the contact details.
